Hallo				

But seeing as how this time the work is already in your hands, *heheh*, I guess much more manageable. Curious where our package has gone to now, actually?! If I can ask you all to track the route in a similar manner as last time, from wherever it is currently to Toulouse, then yes, that's all we'll need to continue the work, happy for it to keep finding new lands.

Wishing you both well, and greetings from Hong Kong,
